Well, we are winding down to our last meeting of the season! Our annual All Day March meeting is March 22, 2013 at the Concord Inn, featuring Chris Johnson as our speaker and he is addressing On Target Living, with a focus on total body wellness. I think the topic is very appropriate, especially considering our ever evolving role as clinicians. Gone are the days where we only talk about brushing and flossing. Now we not only discuss oral hygiene and health, we educate patients on total body health, including nutrition, systemic diseases, pharmacological interactions, and overall wellness concepts. The old expression that we “forget that the mouth is connected to the rest of the body” is no longer the case. In today’s time, more and more the connection is being made that the oral cavity is a snapshot into what is going on with the other major body systems and that gives hygienist the perfect platform to encourage patients to achieve a better understanding of how daily habits and practices impact their ability to function and stay healthy. We as clinicians are uniquely positioned to examine our patients more frequently than other disciplines.

It only makes sense that as our role and responsibilities expand, so do the topics we offer as continuing education topics. On that note, I would like to encourage all of you to consider taking on the additional responsibility and role of a board member for MDDHS. There are a few slots open for our election ballot in March. I can honestly say I would not be where I am today without all of the doors MDDHS has opened for me. Being on the board allowed me to expand some skill sets that I did not get the opportunity to utilize as much in clinical practice. None of the board positions require a huge time commitment, and they offer members a fresh perspective and a chance to truly influence our profession. In many fields there is not such an opportunity to directly affect your own future. In this respect, Hygienist are very accomplished and empowered to personally drive the positive changes they seek. Many folks shy away from unknown roles, or new experiences and taking on the role of a board member may seem intimidating. I want to assure anyone interested that this is not the case and you will find that, like mine, your experience will be a rewarding one. In the words of Robert Frost “I took the road less traveled by, and that has made all the difference...”

MACOMB ALL DAY SEMINAR

MDDHS IS PROUD TO PRESENT:

CHRIS JOHNSON--"ON TARGET LIVING"

Concorde Inn, Clinton Township
 9:00 AM-4:00 PM **6 CEU's (REGISTRATION 8:00)**

MARCH 22, 2013

Members \$90.00 (RDH,RDA,DDS)

Potential members \$150.

Chris began his career working for Butternut Bread and Frito Lay delivering white bread, cupcakes and potato chips. This kicked off his training ground for learning the science behind navigating the grocery stores. While working in this arena, Chris finished his Master's degree at Michigan State University in Exercise Physiology before going on to help build one of the largest personal training programs in the world at the Michigan Athletic Club.

It was during personal training sessions that Chris realized many of his clients lacked the basic understanding of health and nutrition. So he began hosting seminars, educating on the benefits of eating whole foods and the importance of rest and rejuvenation. Chris Johnson works extensively with top performers in the world of financial services and has spoken to thousands of financial advisors, investment associates, and client associates across the country.

In 2006, after 25 years and 17,000 one-on-one personal training sessions, Chris started his company, **On Target Living**. **On Target Living** is a program designed for living a life in balance, with energy and vitality.

In his spare time, Chris has authored several books, produced exercise DVD's, and masterly crafted his signature product "The Food Target". As the CEO and founder of On Target Living, Chris currently travels around the world educating and empowering people to take small steps...one day at a time in order to live life optimally and to the fullest!

The Spirit of Michigan Meeting: Novi

WOW! Three years pass quickly – as the MDA Annual Session is back in Novi for the second time around and there is plenty to experience at this year's Spirit of Michigan meeting, taking place April 17-20 at the Suburban Collection Showplace. I guarantee you it's a meeting you won't want to miss! This year's meeting offers a variety of outstanding continuing education classes for dentists, hygienists, assistants and office staff. For starters, Wednesday's exciting Pre-session Day features speaker Derek Hein, who will discuss cutting-edge dental materials and tricks for using products effectively. The full course schedule and exhibits begin on Thursday. On Friday, April 19, don't miss the free keynote presentation, "Life Would Be Easy if it Weren't for Other People," with motivational speaker Connie Podesta.

New at this year's Annual Session, you can take part in a variety of one-hour **"Hot Topic" sessions**. These short seminars will provide quick, succinct information for some of the more pressing issues in the dental office today. See the special "Hot Topic" listings in this booklet.

Also this year, take advantage of a free hot breakfast on Saturday morning, April 20, while visiting with colleagues and exhibitors. It's a great way to jump-start your morning. There are a limited number of tickets available for this new event, so register early.

I'm a big fan of instant access to information, and I'm glad to report that this year the MDA will provide a conference mobile site and text alerts. Sign up on the registration form or text "MDA" to 57780.

Annual Session wouldn't be complete without the special events. You'll find complete details listed on pages 4-6. Please join us for all of these opportunities and more. You'll be glad you came. See you in April.

Daniel L. Edwards, D.D.S.
Chair, 2013 Annual Session

Michigan Dental Hygienists' Association Program

The Michigan Dental Hygienists' Association will be working again with the Michigan Dental Association to deliver a multifaceted dental agenda specifically targeted to improve the skills and knowledge of the dentist, hygienist and the entire dental team. This is our sixth year collaborating with MDA, provide opportunities to stimulate your career as you build your CE credits.

This year's venue will be held at the Suburban Collection Showplace in Novi. There are a variety of exceptional knowledge-based continuing education courses, several co-promoted by the Michigan Dental Hygienists' Association. More than 200 vendors will be on hand in the Exhibit Hall to keep you abreast of the latest trends in dental technology and supplies. MDHA will have a booth in the Exhibit Hall to provide detailed information about our organization which will be celebrating our 90th anniversary.

Come see us! On Friday, April 19, the MDHA will host another "RDH Welcome Reception." You are cordially invited to attend from 5 until 6:30 p.m. in the Emerald Room in the Suburban Collection Showplace. Refreshments and hors d'oeuvres will be served. Every hygienist is welcome to attend. Many of your MDHA officers, council chairs, trustees and colleagues will be there for a unique, relaxed networking opportunity complete with appetizers, door prizes and fun. You don't want to miss it. For further details, please contact Joyce Losen at (517) 381-8557.

Come witness the power of the collective activism of MDA/MDHA and other Michigan Dental stakeholders. This annual session represents organized dentistry at its best. It is well worth it!

SAVE THE DATE! ADHA 100YEARS!

The Michigan Dental Association and the Michigan Dental Association Foundation are now working to organize the 2013 Michigan Mission of Mercy event, a special statewide dental access program to be held Jun 6-9, 2013 at the Ryder Center on the campus of Saginaw Valley State University.

The 2013 Mission of Mercy program will represent Michigan dentistry's largest dental access event to date. Find out more about the event by reading the [Mission of Mercy FAQs](#).

Dr. Steve Harris, of Detroit District, is serving as chair of the 2013 Mission of Mercy event. The Michigan Dental Association Foundation is now looking to identify potential volunteers to serve as organizers and leaders. Individuals are needed who have a "passion" for dentistry and caring for the underserved. Visit the [Committee Chairs/Leads](#) page to contact the dedicated staff volunteering to head up key Mission of Mercy areas.

The Mission of Mercy event will require 1,000 volunteers (300 dental professionals 700 lay volunteers) for optimum success. Visit the [Volunteer Job Descriptions](#) page to see the types of volunteers that are needed. To volunteer, click the button below and complete the volunteer registration form. A staff member will follow up with you shortly. Contacting the MDA *does not* commit you to anything, but will help the MDA and the Foundation identify potential volunteers as the association

begins planning for the event.
