PRESIDENT'S MESSAGE

September 2012

Greetings!

My name is Stephanie Pepka, and I am your MDDHS President for the 2012-2013 term. I am looking forward to another great year as a part of MDDHS!

A little about me, I graduated from the University of Detroit Mercy in 2002 with my Bachelors and certificate in Dental Hygiene and I went on to complete my Masters in Management from Walsh College of Business in 2009. I have been in the dental field since I was 17 years old... I worked part time as front desk and chair side assistant in a general practice, and now as a hygienist I have worked full time in a periodontal practice since 2003. I have a six year old son named Parker, and my hobbies include hunting, fishing and LOTS of cooking! I have been a member of MDDHS, MDHA, and ADHA since 2002 and I have served as Program Chair, Delegate, and Vice President for Macomb. Although I was a SADHA member in school, it was not until my career as a hygienist began, that I truly understood what my component and my membership does for me as a professional and what a resource this organization can be.

As your president, I have a request for every single member of this component; **Hang in there!** Times are tough right now for hygienists in Michigan, and the tendency is to cut corners when times are tough. Membership in your professional organization is not one of the things that should go by the wayside... Meeting attendance provides an opportunity for completing your continuing education, and time to network with your peers. Your dues protect your rights as a professional and your ability to practice. Without MDHA and ADHA, we have no voice against the threats to our profession. Most importantly, being a member and participating in the programs and experiences MDDHS has to offer helps to keep you motivated in your chosen career. Every single member is important to this organization and we all need to stick together! I am asking those who are established in their career to take time to mentor newer members and recent graduates by sharing your experiences, and why you love what you do. In this difficult job market and tough economic time, our new grads need our support more than ever. It seems every hygienist I talk to has a story or anecdote of how they made a difference for someone... It is truly amazing to realize what we can do as a profession, and the positive impact it has on those we serve.

This coming year will see some changes in our Component. We welcome some new faces to our Board of Directors and some of our Committees, and of course we have another excellent lineup of great speakers and topics. We have revamped our fundraising efforts with some new programs, and since hard work deserves a reward, there will be some fun on the agenda as well. The first annual MDDHS Networking Night will take place this fall, tentatively November 2nd 2012. This is a new event for us and I am hoping it will enable members (and potential members too!) a chance to get together, relax and have fun in an informal setting.

I look forward to serving as your President this term, and I will do my best to follow the very big footsteps of previous Presidents and make it another great year for MDDHS!

Stephanie

2012 Scholarship Recipient Chosen

THE MACOMB DISTRICT DENTAL HYGIENISTS' SOCIETY IS PLEASED TO ANNOUNCE THE WINNER OF THE ANNUAL \$1,000.00 SCHOLARSHIP. **Sara Purchase**, WHO ATTENDS BAKER COLLEGE OF PORT HURON, IS THIS YEAR'S RECIPIENT. SHE IS AN ACTIVE SADHA MEMBER AND MACOMB COUNTY RESIDENT. THE SCHOLARSHIP WILL BE AWARDED TO SARA AT THE MDDHS FALL WELCOME MEETING, SEPTEMBER 18, 2012.

THE PURPOSE OF THE MDDHS SCHOLARSHIP IS TO PROVIDE TUITION ASSISTANCE TO A CURRENT DENTAL HYGIENE STUDENT WHOSE PRINCIPLE RESIDENCE IS WITHIN MACOMB COUNTY. TO BE ELIGIBLE; THE STUDENT MUST BE A SADHA MEMBER IN GOOD STANDING, MUST BE IN THEIR FIRST YEAR OF DENTAL HYGIENE CURRICULUM, AND SHOW LEADERSHIP SKILLS BY BEING INVOLVED IN SCHOOL AND/OR COMMUNITY ACTIVITIES.

THE MDDHS SCHOLARSHIP WAS ESTABLISHED IN 1992, AND WILL BE AWARDED ON AN ANNUAL BASIS. PROFITS FROM PAST AND FUTURE MDDHS SEMINARS ARE USED TO FUND THE SCHOLARSHIP.

CONGRATULATIONS SARA!!! THE MEMBERSHIP OF MDDHS WISHES YOU SUCCESS AND HAPPINESS DURING YOUR REMAINING MONTHS OF DENTAL HYGIENE EDUCATION AND IN YOUR CAREER AS A DENTAL HYGIENIST. WE LOOK FORWARD TO MEETING YOU IN SEPTEMBER AND HAVING YOU BECOME ACTIVE IN OUR ORGANIZATION.

The Macomb component is doing their part to "Go Green". We collect the lead foils from local dental offices and they are taken to a recycle center and are weighed. We are paid the current rate per pound and that money is then returned to the community.

Donate your lead foils to MDDHS.

TRUSTEE REPORT

Welcome back fellow RDH's. I'm very proud to announce that the **House Bill 4718** "second pair of hands" passed the house and senate. This bill would allow a dental hygienist to supervise a dental assistant to function as a second pair of hands. Congrats to those who worked hard to pass this Bill. If you would like to read Bill 4718 go to the Michigan Legislative website and look up the Bill or you can contact me.

It's that time of year again Our Annual House of Delegates will be taking place in Traverse City, Michigan on **October 19-21, 2011**. We will be staying at the Grand Traverse Resort. A CE class will be offered on Friday, October 19, 2012 topic is TBD. There will be four delegates representing Macomb but all MDHA members are welcome to join us. If you would like to submit any changes to the HOD Policies, MDHA Bylaws or HOD Standing Rules, you have until Sunday, **September 26th**. You can find these documents on the website - www.mdhatoday.org - under Members, then Reference Materials. HOD is where we vote on new policies and bylaws; so if you'd like to make changes now is the time. We will be also voting on a new President, Vice President and MDHA Delegates to the ADHA. Look forward to seeing you!!

The next MDHA Board of Trustee Meeting will be **September 15-16, 2012**. At this meeting the board will be reviewing the budget, proposed bylaws and resolutions and any further information to make HOD run smoothly.

ADHA Annual Meeting next year will be on **June 19-25, 2013** in Boston. This is a special year we will be Celebrating 100 years of Dental Hygiene. I encourage you all to attend at least one Annual Session it truly is a great experience.

I will keep you updated on any new information from MDHA/ADHA.

Sincerely,
Saska Vitanoski
Macomb Trustee

IN CASE YOU DID NOT KNOW.....

2 REASONS TO DONATE TO MDH-PAC

Public Act 161, 2005 is legislation passed with the intent of providing access to dental care to under served populations. The registered dental hygienist is one of several “entities” who may apply to the State of Michigan for this status. Once received, the applicant can either provide preventive dental care or be employed by the entity who owns the PA 161 status to provide the care to those in need.

To date there are over 100 RDH who enjoy this status and several programs where the registered dental hygienist holds the PA 161 status. Several thousand patients are being seen who were not before. Application of this law are primarily schools and nursing homes but many other opportunities exist as well. A dentist may own the PA 161 status, a nursing home may own the status, or a hygienist may own the status.

This law waives the requirement in statute that a patient must be first seen and treatment planned by a dentist before receiving treatment from the hygienist. This allows the hygienist to see many otherwise not seen and make appropriate referral if necessary. Dental homes are sought where appropriate. The hygienist must work under the supervision of a dentist although the supervision may be and generally is, off-site.

This law is providing competent professional care provided by licensees of the state of Michigan who are responsible to the Michigan Board of Dentistry and is proving to be a safe, efficient, exceptionally high quality of care for citizens of the State of Michigan.

For more information, there is a guidebook available. Please contact Bonnie Nothoff bnothoff@earthlink.net

SEPTEMBER WELCOME MEETING

DR. PAM ZARKOWSKI

Four Quadrants: A DH Digest

This presentation will highlight four personal and professional topics of interest to dental hygienists and the dental team. Information focusing on key information and trends will be provided related to the Michigan Administrative Rules and Michigan Medical Records Access Act. In addition, patient provider communication and interpersonal relationships will be reviewed including social media and health literacy.

Objectives:

1. Review key sections of the Michigan Administrative Rules (Michigan Dental Practice Act).
2. Discuss the Michigan Medical Records Access Act and the ethical obligations related to access to patient records.
3. Review current trends in social media use and guidelines for health providers relating to interactions with patients on sites e.g. Face book.
4. Present information and resources concerning health literacy and the impact on patient communication.

Chris began his career working for Butternut Bread and Frito Lay delivering white bread, cupcakes and potato chips. This kicked off his training ground for learning the science behind navigating the grocery stores. While working in this arena, Chris finished his Master's degree at Michigan State University in Exercise Physiology before going on to help build one of the largest personal training programs in the world at the Michigan Athletic Club.

It was during personal training sessions that Chris realized many of his clients lacked the basic understanding of health and nutrition. So he began hosting seminars, educating on the benefits of eating whole foods and the importance of rest and rejuvenation. Chris Johnson works extensively with top performers in the world of financial services and has spoken to thousands of financial advisors, investment associates, and client associates across the country.

In 2006, after 25 years and 17,000 one-on-one personal training sessions, Chris started his company, **On Target Living**. **On Target Living** is a program designed for living a life in balance, with energy and vitality.

In his spare time, Chris has authored several books, produced exercise DVD's, and masterly crafted his signature product "The Food Target". As the CEO and founder of On Target Living, Chris currently travels around the world educating and empowering people to take small steps...one day at a time in order to live life optimally and to the fullest!
